

SECRET LUNCH HOUR

Spas make you look and feel wonderful. But it takes time. The sort of time you spend in meetings or writing reports. We understand the problem. We think that you deserve some pampering, so we will fit it into your busy day – and no one ever needs to know.

Take a Secret Lunch Hour, choose one luxury treatment and two delicious courses from our special menu at the Westin Executive Club, and we guarantee that within 90 minutes you'll be back at your desk looking and feeling fantastic. You can also earn serious brownie points by treating your partner to a surprise 'rendezvous for two'.
