

Transform your body with the most advanced and effective body contouring treatment that freezes and eliminates fat from your body | Developed by Harvard Scientists - FDA approved, safe and clinically proven.

## FAT FREEZE (CRYO-LIPOLYSIS)

Non-invasive | Non-surgical | No downtime | Pain-free

We offer the **complete package** with follow up treatments to tighten the skin, reduce cellulite and firm sagging skin.

**Maintenance packages** tailored individually for those who want to keep the fat at bay and maintain a firmer, contoured body.

## FACIAL REJUVENATION

No needles | No downtime | No scars

Get a Face Lift without the needles, and no downtime or scars! This treatment stimulates skin tissue and promotes collagen, lifts sagging skin and reduces wrinkles, leaving your skin firm and smooth for a younger look.

## LASER HAIR REMOVAL

Effective | Pain free

Effective, pain-free hair removal.

Book 5 sessions and get the 6th session FREE.
